SAVE BIG. By choosing ENERGY STAR qualified products you save money, energy and help protect the environment for generations to come.

Congratulations on your decision to buy an ENERGY STAR qualified refrigerator. It's good for you, your family, and the environment. Thank you!

Valid for purchases made January 23, 2009 - December 31, 2009. All rebate requests must be postmarked no later than January 31, 2010. Limit: One refrigerator rebate per Massachusetts residential account per calendar year. Eligible refrigerator must be installed in Massachusetts. Refrigerator must be 7.75 cu. ft. or larger to be eligible. Excludes compact models or stand alone freezers. For more information, call: 1-877-ESTAR 4U (378-2748). This rebate offer is available to all Massachusetts residential customers of participating utilities and energy efficiency service providers and may be subject to change without prior notice. This rebate may not be combined with any other utility or energy efficiency service provider offer. The participating utility or energy efficiency service provider reserves the right to conduct field inspections to verify installations. Limitation of liability: Participating utility or energy efficiency service provider does not guarantee the performance of installed equipment expressly or implicitly. Customer agrees that the Energy Efficiency Program Provider (EPPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. Manufacturer and/or retailer agree to provide the EPPP with such further documentation as the EPPP may request to confirm the EPPP's ownership of such benefits.

With a new ENERGY STAR qualified refrigerator, you can start saving right away. For a limited time, receive a mail-in rebate of \$50! Some restrictions may apply. Just ask your local participating retailer for details.

Save up to \$100 per year.

If you have an older refrigerator, it is likely that it uses more electricity than any other appliance in your home. If your refrigerator was manufactured more than 10 years ago, it could use twice as much energy as a new ENERGY STAR qualified model. ENERGY STAR qualified refrigerators can save over \$100 per year, depending on the model being replaced. See the chart below for comparisons of sample equipment types.

Typical Annual Savings from Replacing an Old Refrigerator with an ENERGY STAR Qualified Model of Equal Size

Only products delivering the highest level of energy efficiency can earn the ENERGY STAR. Look for them at participating retailers. Call 1-877-ESTAR 4U (378-2748) or visit myenergystar.com for a complete list of participating appliance retailers.
